A while back I did an information-packed 90-minute webinar for Marketing Profs called Google in the Real World: How Links Boost Your Ranking . I obtained permission from MarketingProfs to post an archived version of all the webinars I did for them on my site. I just created a screencast of this webinar on link building and uploaded it. Check it out&

Watch it as a streaming Flash video »

Or, alternatively download/watch as a Quicktime movie (72 MB).

Stay tuned and I ll be posting many more!
